

PhD day

7th September 2021

Stadtlabor, Graz

Programme

8:30 - 9:00 Room open for registration

9:00 – 10:00 Plenary session

- Welcome speech
- Introduction of Stadtlabor and ERSCP
- What happens then? Presentation by a postdoc

10:00 – 10:30 Coffee break

A flipchart with post-its will be available to pose questions / propose ideas for the Q&A

10:30 – 13:00 Breakout sessions

Mentoring sessions in small groups of about 5 participants. The mentor and participants in each of the group will have read the work provided by each of the participants. After each of the short presentations (10 minutes) there is around 20 minutes time for feedback from the mentor and colleagues (around 30 minutes per participant, in total).

Peer feedback will be provided mostly based on the content of the presentation; however, the mentor and at least one of the other participants will also have read the research plan beforehand. In that way, the participants will get more insights.

13:00 – 14:00 Lunch (own expense, at the mensa)

14:00 – 15:30 Workshop: (plenary): How to write, submit, revise and publish your scientific articles in top quality, high impact journals (with Don Huisingh)

This workshop will deal with the essentials of paper writing and publishing: from coming up with an idea and first draft, to publication stages (how to choose a journal, dealing with reviews...).

15:30 – 15:45 Coffee break

A flipchart with post-its will be available to pose questions / propose ideas for the closing session

15:45 – 16:45 Q&A – The onlinification of research

Panel session with Don Huisingh and mentors

16:45 – 17:15 Closing session

From 17:30 – Drinks in the park (optional, own expense)
